

DIGITAL MATURITY DAY

A day to discover the Campus du Numérique and meet local and international players in digital innovation.

AGENDA

21th july 2023 | from 09.30 am to 04.30 pm
Campus Région du numérique | Charbonnières-les-bains - Lyon

During the Third Digital Maturity Day conferences, round tables and a visit to the Campus du Numérique Research Factory dedicated to the factory of the future and cybersecurity will take place. Meetings with players in digital innovation, large groups and SMEs, covering a wide range of digital uses, from arts and crafts to the protection of sensitive data. A day organised by the DC4DM consortium, which promotes the sustainable appropriation of new digital technologies for the benefit of users and society.

The event is free, but registration is mandatory. Please [CLICK HERE TO REGISTER](#).
